Notes:

- All the events, except for the two members' functions, are free of charge and are provided by the Association, in the interests of conservation, as a service to the public. Donations from persons attending the events will however be welcome.
- The two members' functions will be talks by experts and will be geared to learning about what we have in the reserve. A meal will be provided and a charge will be levied to cover the cost of the function.
- The above events are subject to change. Up to date information will be available on the Association's web site "www.knra.co.za". Members will also be kept informed by means of monthly e-mails advertising events for the ensuing month.
